JOY COTTON BATTING
Over 100 Years

All foam in this product is CertiPUR Certified

FEATURES

- 1 For added strength, the heavy cotton twill outer shell is constructed like a box—with top, bottom and side panels—not like a pillow as on other futons.
- 2 Our futons have 25% more lace tufts than the competition.
- 3 We 'crown' each futon across the middle with several pounds of extra cotton top and bottom for extra comfort and support.
- 4 Double-stitched seams won't split or unwind.
- 5 Custom-blended "JOY" cotton batting, the densest most durable in the world, using nothing but the purest cotton picker and linter available.
- 6 Two Layers of Solid 1" Foam for Resiliency and Cushioning
- 7 The comfort in the East/West 2.2 comes from two 1.5" layers of high-density convoluted foam.
